Message from a Go-Getter Volunteer (Diane Becker)

I have been a Go-Getter since 2008.

I had been playing & volunteering at the West Hillhurst Community Bingo, and a friend of mine suggested that I should join the Go-Getters senior club. When I retired in 2008, I did just that.

It has been wonderful for me; I have met some amazing people and enjoyed great times together.

As we all know, Covid damaged everything. So now we know how important socialization is to our well being; good friends and lots of laughs make life so much better!

I have served on the Go-Getters board twice, and I have worked the bingo selling bonanza cards and doing call backs. I ran the Casino & Stage West trips, and I still make sandwiches for bingo once a month.

We are so lucky to have such a great club that is always active. There are monthly luncheons, games night, exercise classes, cards, line dancing, etc....

With everything that happens here you can understand how vital and important volunteers are. When everyone steps up to volunteer even a bit of time it keeps our club running like a well-oiled machine.

Volunteering has enhanced my life in so many ways!

A friendly reminder about smoking at the Go-Getters

When you go outside to smoke, please make sure that you are at least 5 metres (16') away from any doorway.

Also, remember that The Go-Getters Centre is a scent-free area.

The smell of smoke lingers on clothing and is as much of an irritant to those with sensitivities as strong perfume or cologne.

If you are here playing cards or attending an event, please respect your fellow Go-Getters and refrain from smoking until you leave.
Thank you!

"The Hundred Foot Journey"

by Richard Morais

"That skinny Indian teenager has that mysterious something that comes along once a generation. He is one of those rare chefs who is simply born. He is an artist."

And so begins the rise of Hassan Haji, the unlikely gourmand who recounts his life's journey in Richard Morais's charming novel, "The Hundred-Foot Journey". Lively and brimming with the colours, flavours, and scents of the kitchen, "The Hundred-Foot Journey" is a succulent treat about family, nationality, and the mysteries of good taste.

Born above his grandfather's modest restaurant in Mumbai, Hassan first experienced life through intoxicating whiffs of spicy fish curry, trips to the local markets, and gourmet outings with his mother. But when tragedy pushes the family out of India, they console themselves by eating their way around the world, eventually settling in Lumière, a small village in the French Alps.

A little Humor

Today a woman knocked on my door and asked for a small donation towards the local swimming pool...... I gave her a glass of water..

I got myself a senior's GPS. Not only does it tell me how to get to my destination, it tells me why I wanted to go there.

Can we talk?

We recently had a new member join the Go-Getters who speaks Ukrainian, but very little English.

The Go-Getters are known for being very welcoming, so it would be great if there were any members who spoke Ukrainian, that could reach out to assist this member in getting more involved with our club.

Please speak to Colin in the office for more details.
